Re: Testimonial Letter

Dear Garcia Roofing Family,

As a company in the business of providing care to those with medical needs, it is important that our resident's safety and the staff's safety are in mind. I would like to thank you for the professional and courteous way in which you helped our company with our roofing needs in our locations throughout the Baton Rouge area.

I would recommend the Garcia Roofing Team for any major roofing projects and minor repairs. I found the Team to be helpful, professional, committed and reasonably priced. The quality of the product and service of the installation crew were very much appreciated.

Thanks for a job well done!
